

THE STATE OF TEXAS

GOVERNOR

 *To all to whom these presents shall come,
Greetings: Know ye that this official recognition is presented to
all observing*

Community Health Workers Day

April 4, 2025

Our state and nation benefit from the knowledgeable, compassionate care of community health workers, who daily connect underserved populations with resources and social services. These dedicated men and women educate their neighbors about important topics such as disease prevention and management, emergency preparedness, and prenatal care while treating illnesses and injuries. Their services are invaluable to our state, and they are to be commended for their important work.

By promoting health and wellness in a culturally and linguistically competent manner, community health workers help ensure excellent care for all Texans. Their advocacy and outreach pave the way for a healthier, happier future. At this time, I encourage all Texans to recognize our community health workers for their service to our great state.

First Lady Cecilia Abbott joins me in encouraging all Texans to observe Community Health Workers Day with appropriate programs and activities.

In testimony whereof, I have hereunto signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin this the 26th day of February, 2025.

Greg Abbott
Governor of Texas
