OUR GUESTS

TESTIMONIALS

"Breast cancer discovered after my exams at the health fiesta 2 years ago. Thanks to this organization, I'm cancer-free."

"I work hard for my family but as a laborer I have no insurance for them. So we come every year."

"I suffer from high blood pressure & this is where I come to get a free check up."

"My mom asked me to bring her to this event, I am amazed at all the services."

"I take care of kids & have no insurance. I come for my yearly check up because I have family history of cancer."

"I look forward to coming each year & volunteering."
